Let's Grow a Picture!

One imaginative adventure. Three flexible levels.

RECEPTION

My Growing Picture!

Draw a square anywhere on your page. What could it become? Perhaps a house, a present or something completely different! Now add something else to your drawing. Keep adding new things and watch your picture grow and grow! What have you created?

EYFS · Expressive Arts and Design — imaginative drawing and creating; Communication and Language — sharing ideas.

YEAR 1

A Picture That Grows!

Start with one simple shape and turn it into something imaginative. Now add at least five more things to make your picture grow. Think about how everything fits together. Give your finished picture a name and write a sentence describing what you have created.

KS1 · Art and Design — developing creative ideas; English — sentence composition.

YEAR 2

One Shape, a BIG Adventure!

Begin with one simple shape and gradually build an imaginative scene around it. Include at least eight different things, thinking carefully about how they connect to create a bigger picture. Give your creation a title, then write a short story explaining what is happening in your picture. What might happen next?

KS1 · Art and Design — developing ideas; English — descriptive and narrative writing.
