Rulie likes straight lines

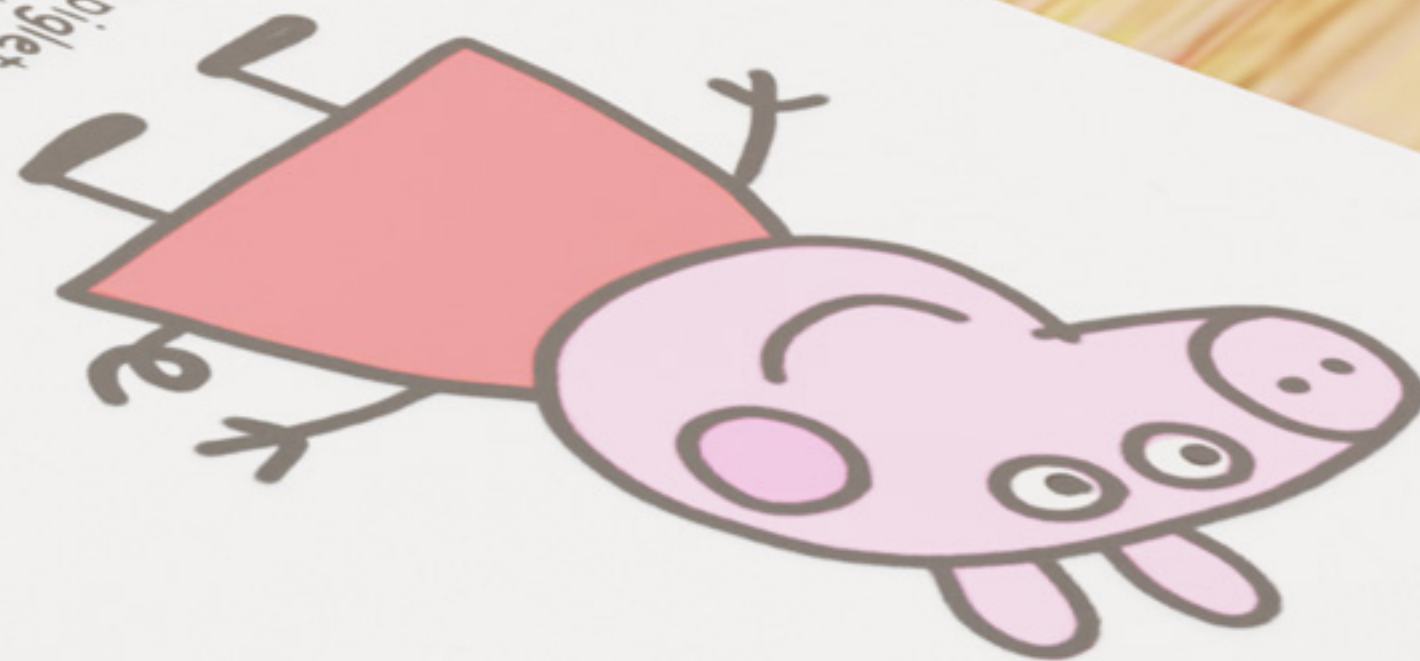

Let's use Rulie to draw
straight lines.....

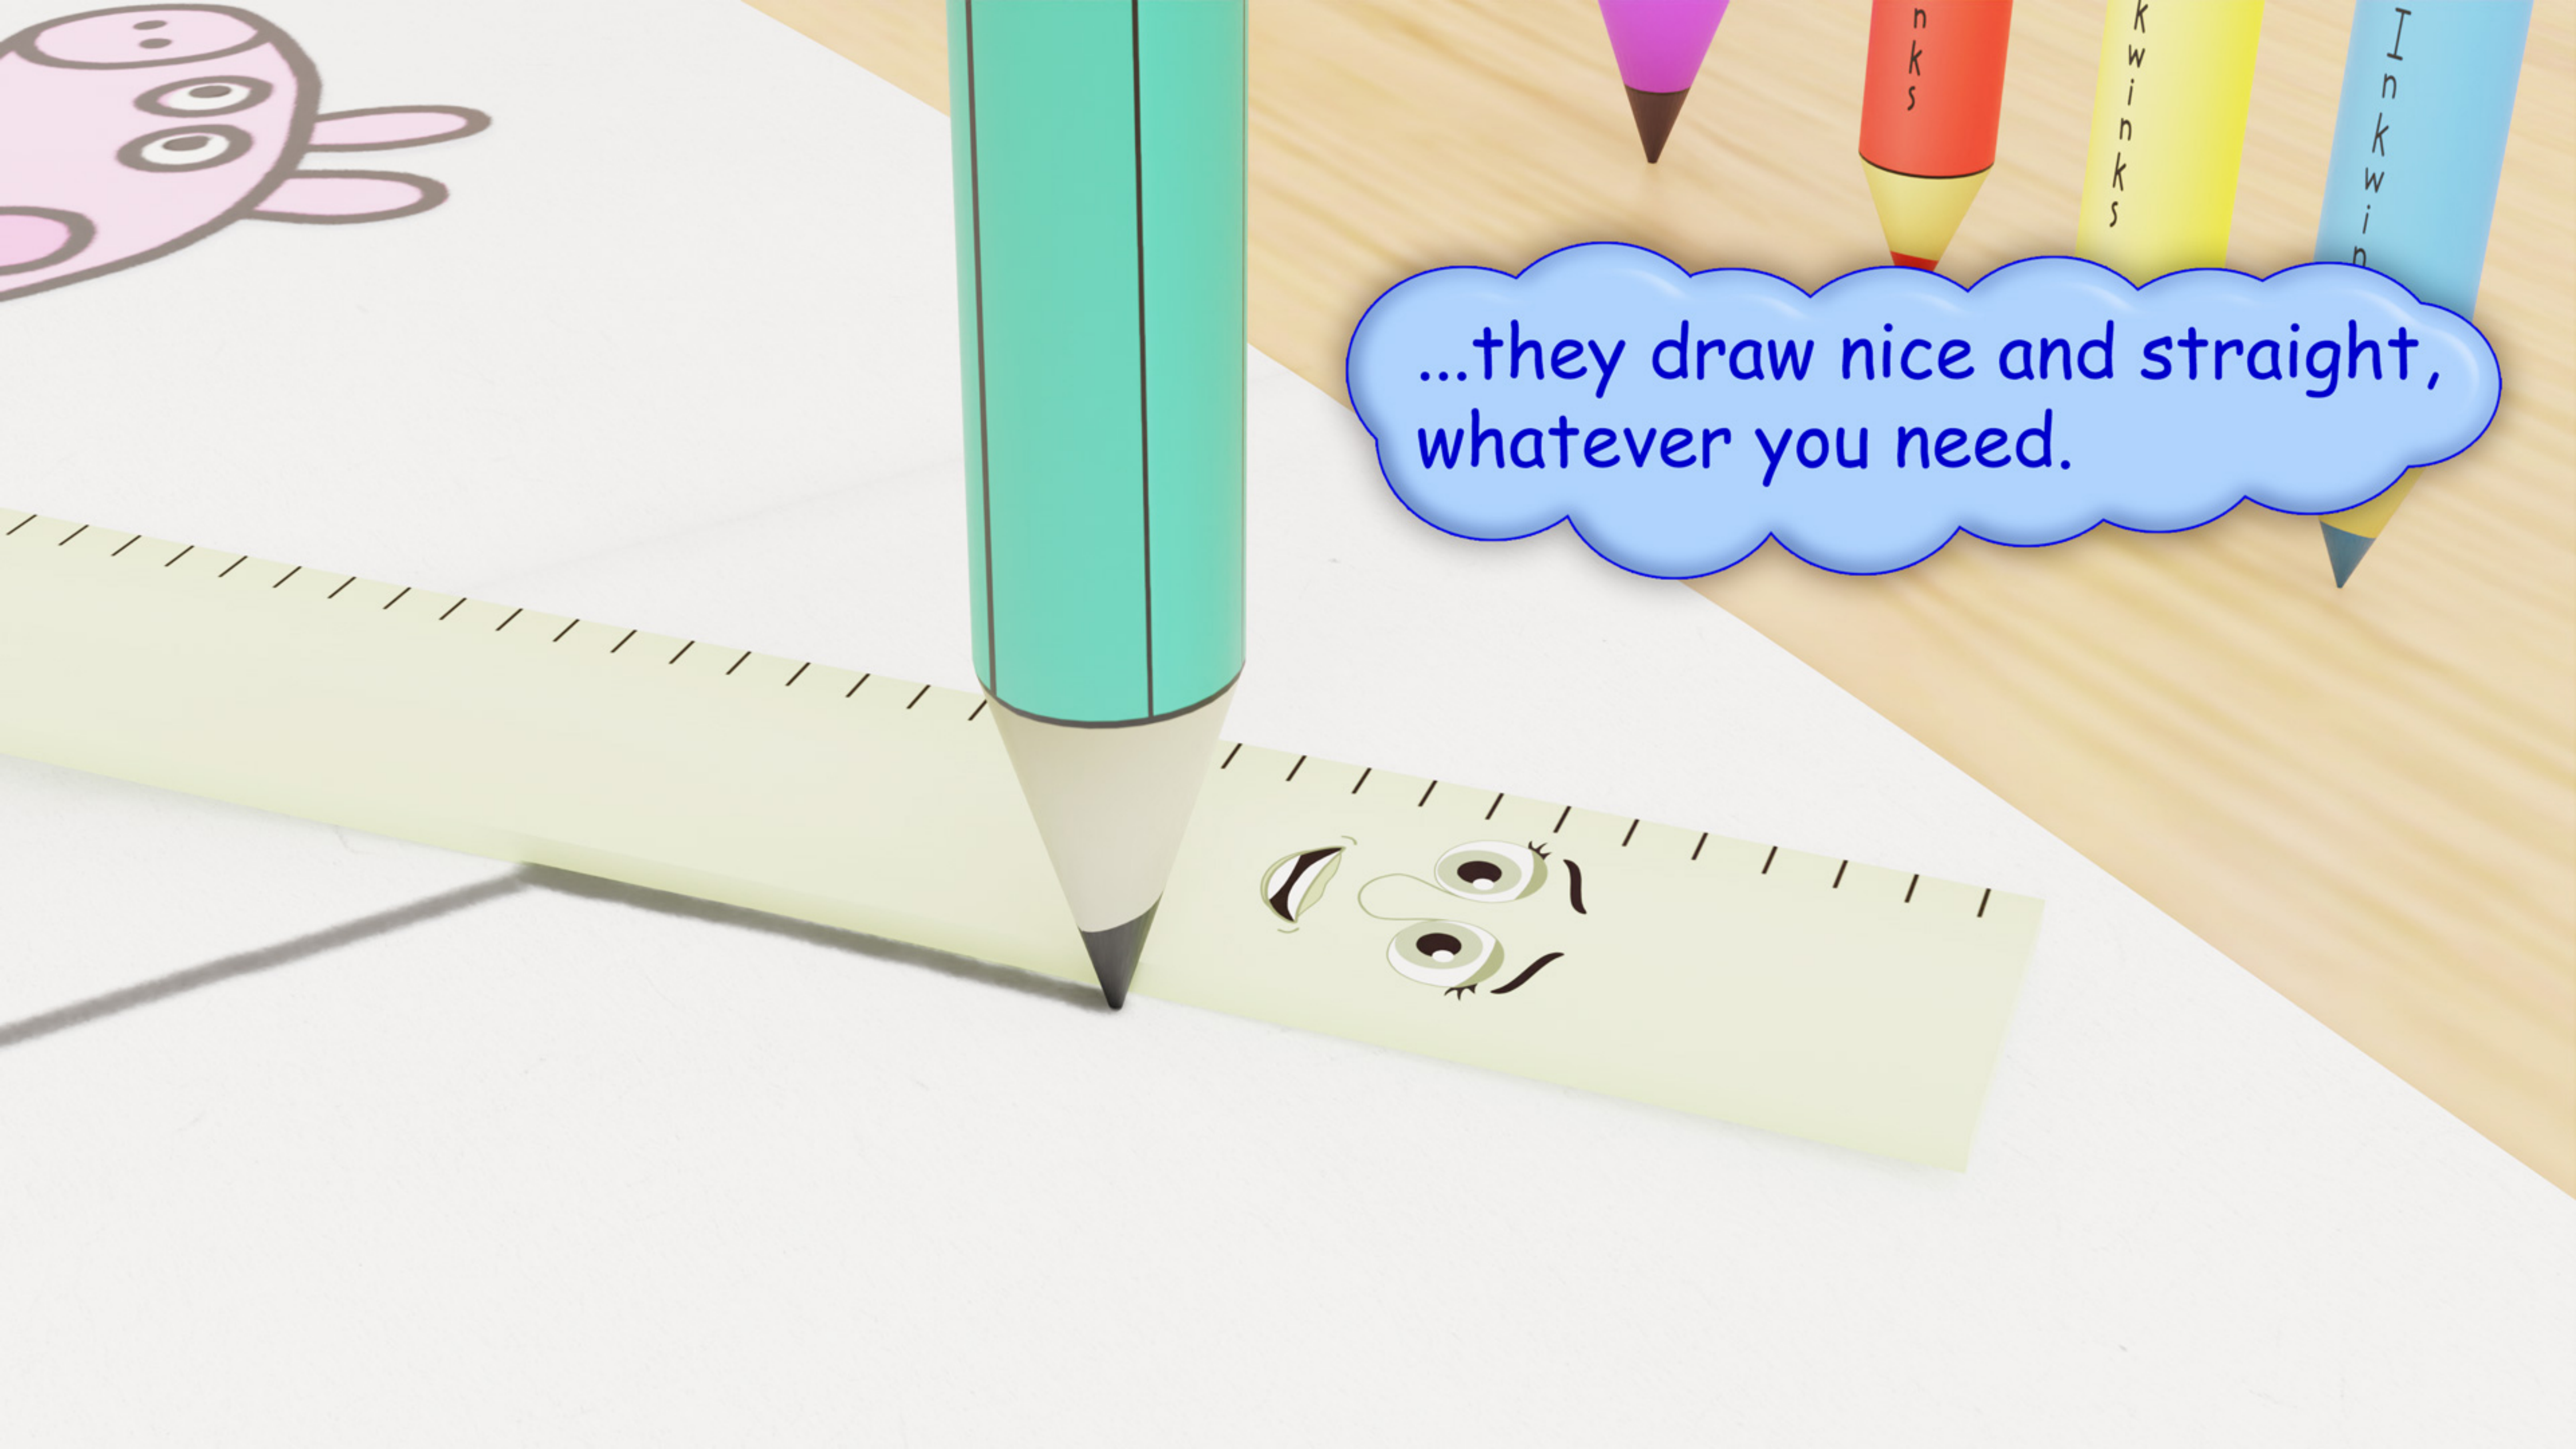

A cartoon illustration of a yellow ruler with a smiling face and large eyes. The ruler is positioned diagonally across a white sheet of paper. A green pencil is shown drawing a rectangle on the paper, with its tip touching the ruler. The background is a light brown wooden surface.

...for boxes, rectangles
and rigid outlines.

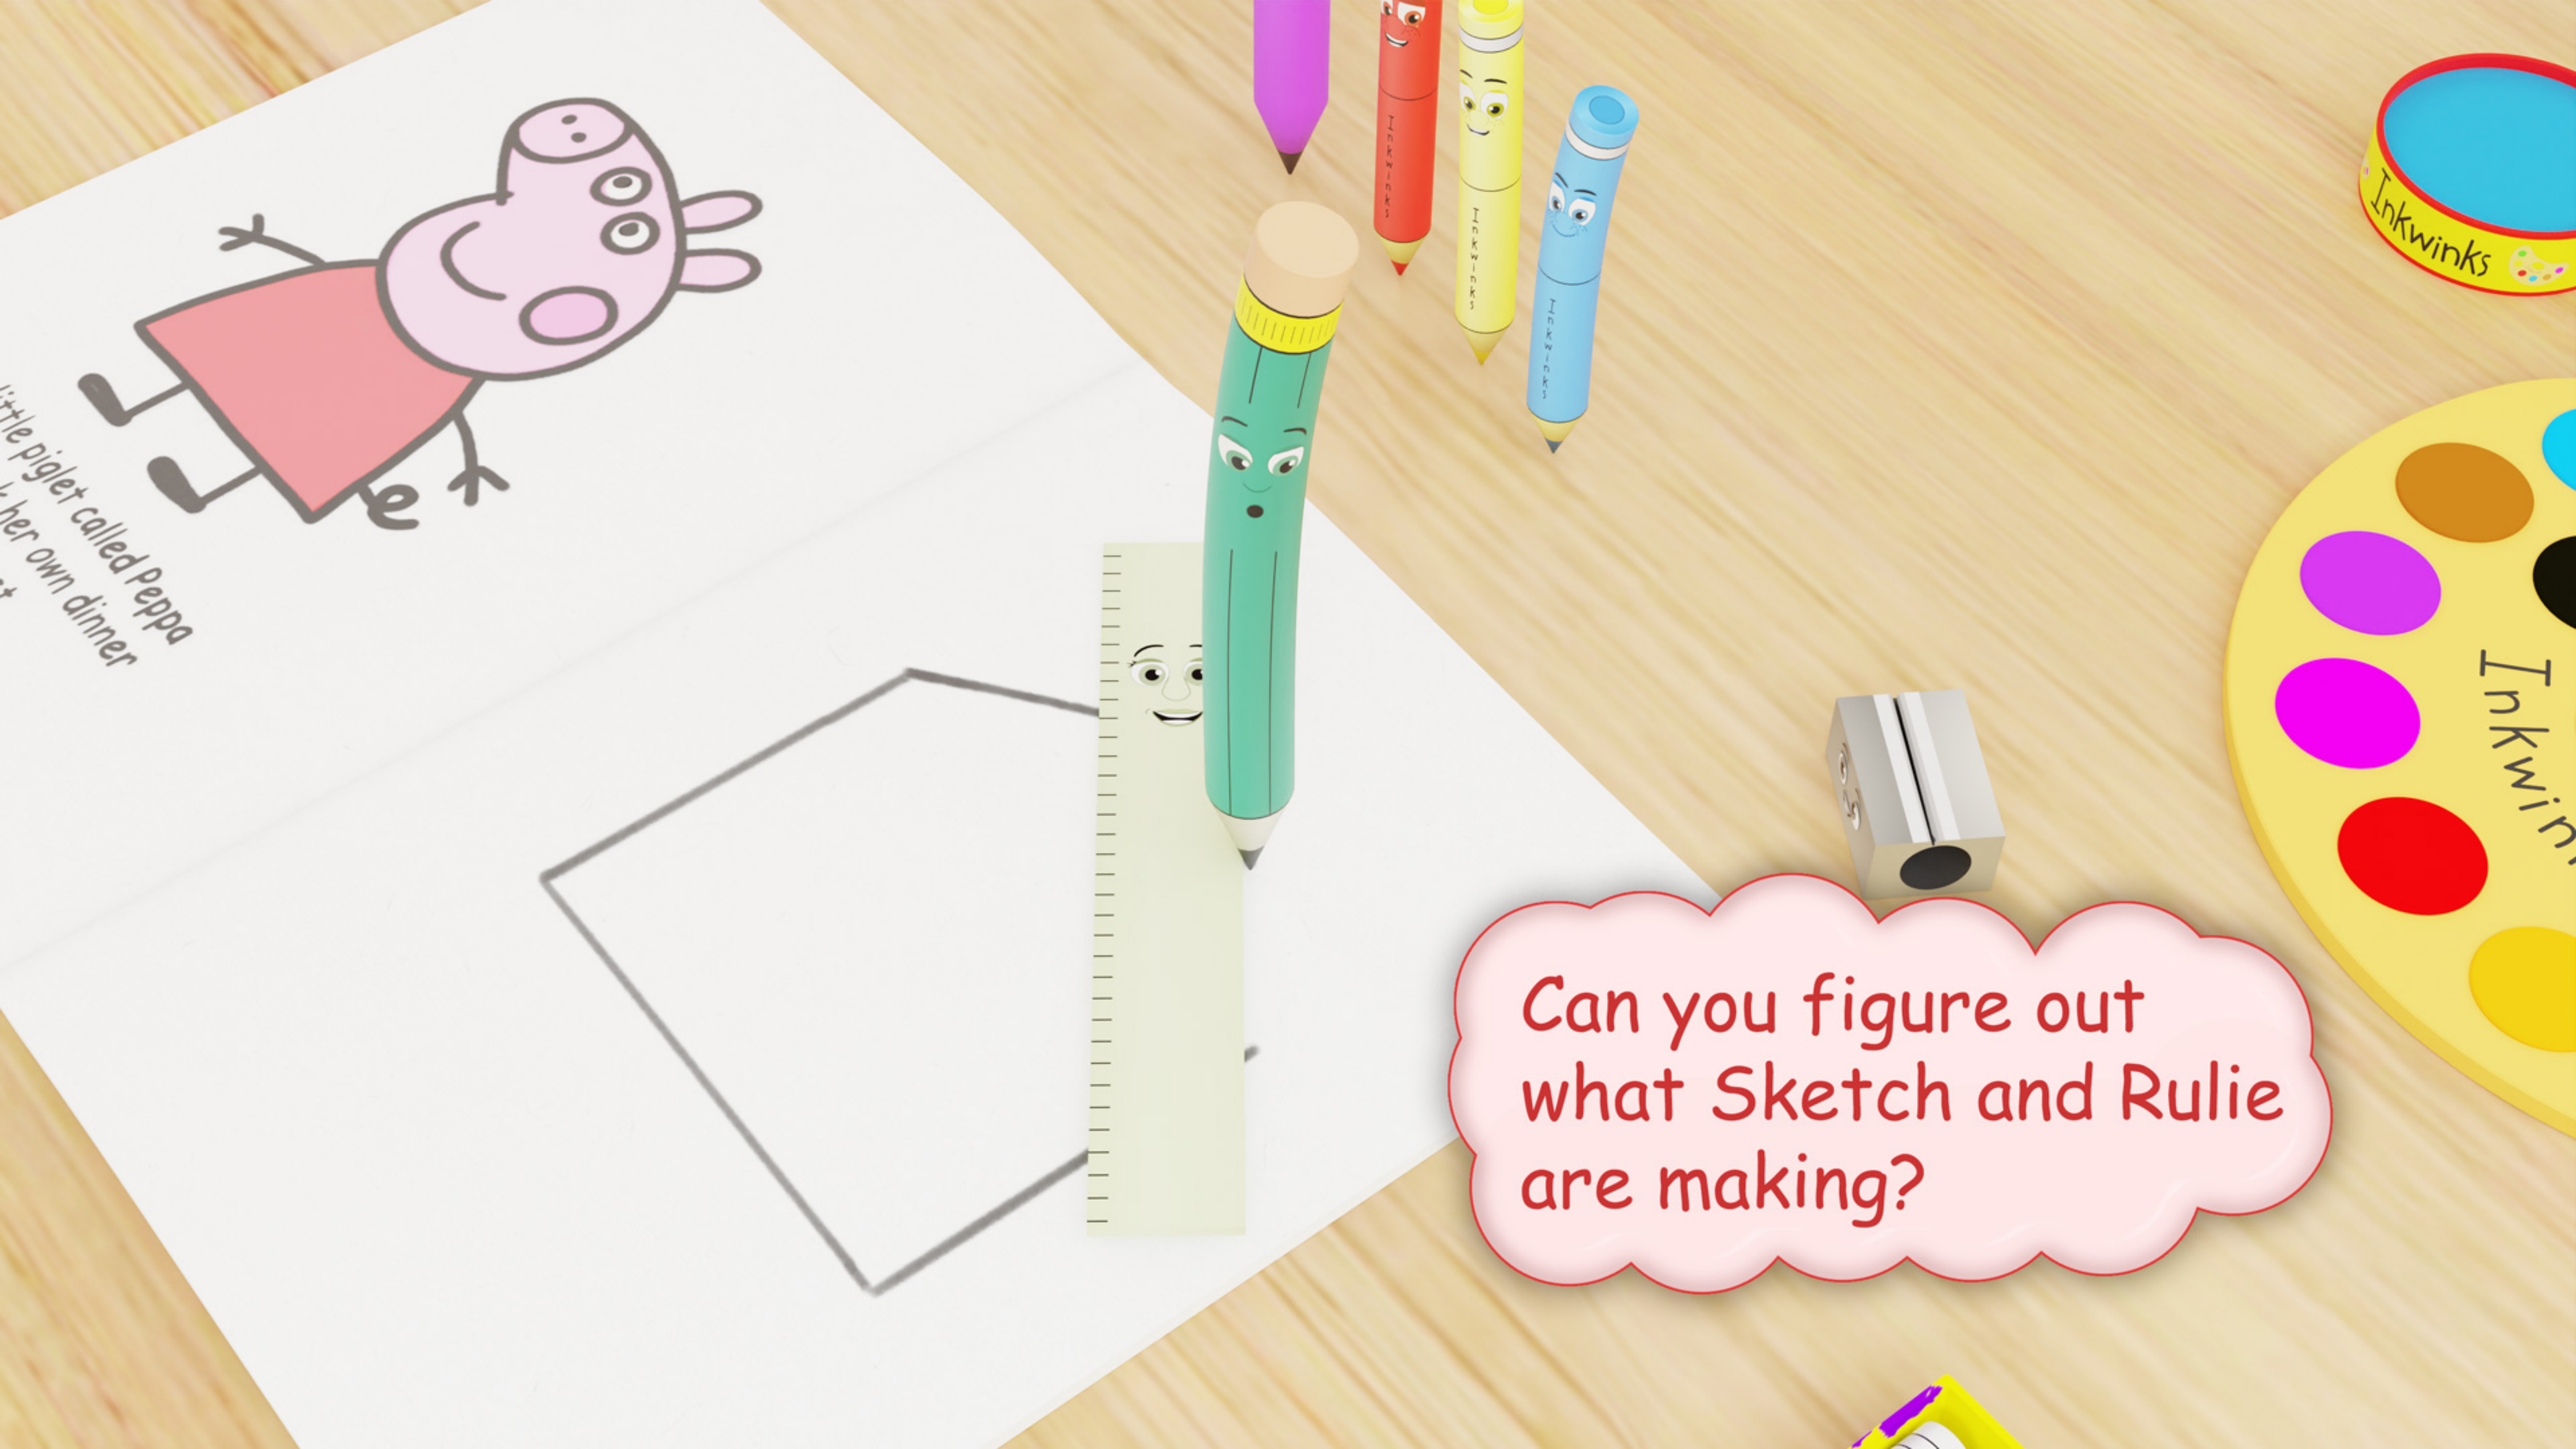

Careful as they go,
there's no requirement
for speed.....

A cute little piglet called Peppa
She started with her own
What a great

...they draw nice and straight,
whatever you need.

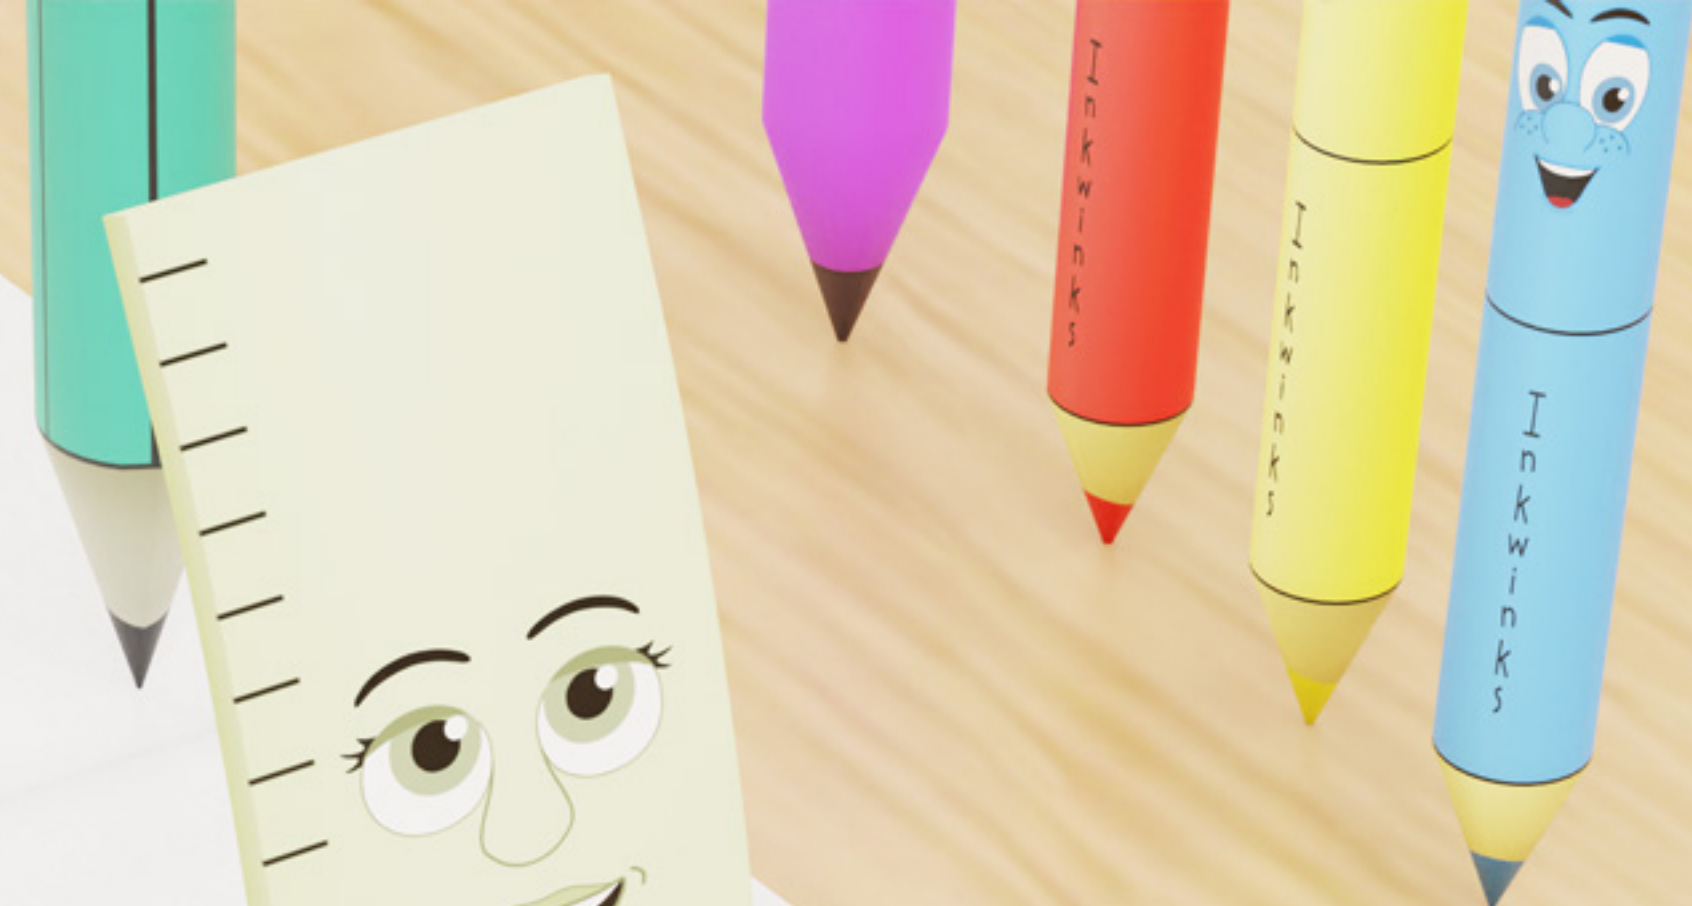

little piglet called Peppa
her own dinner

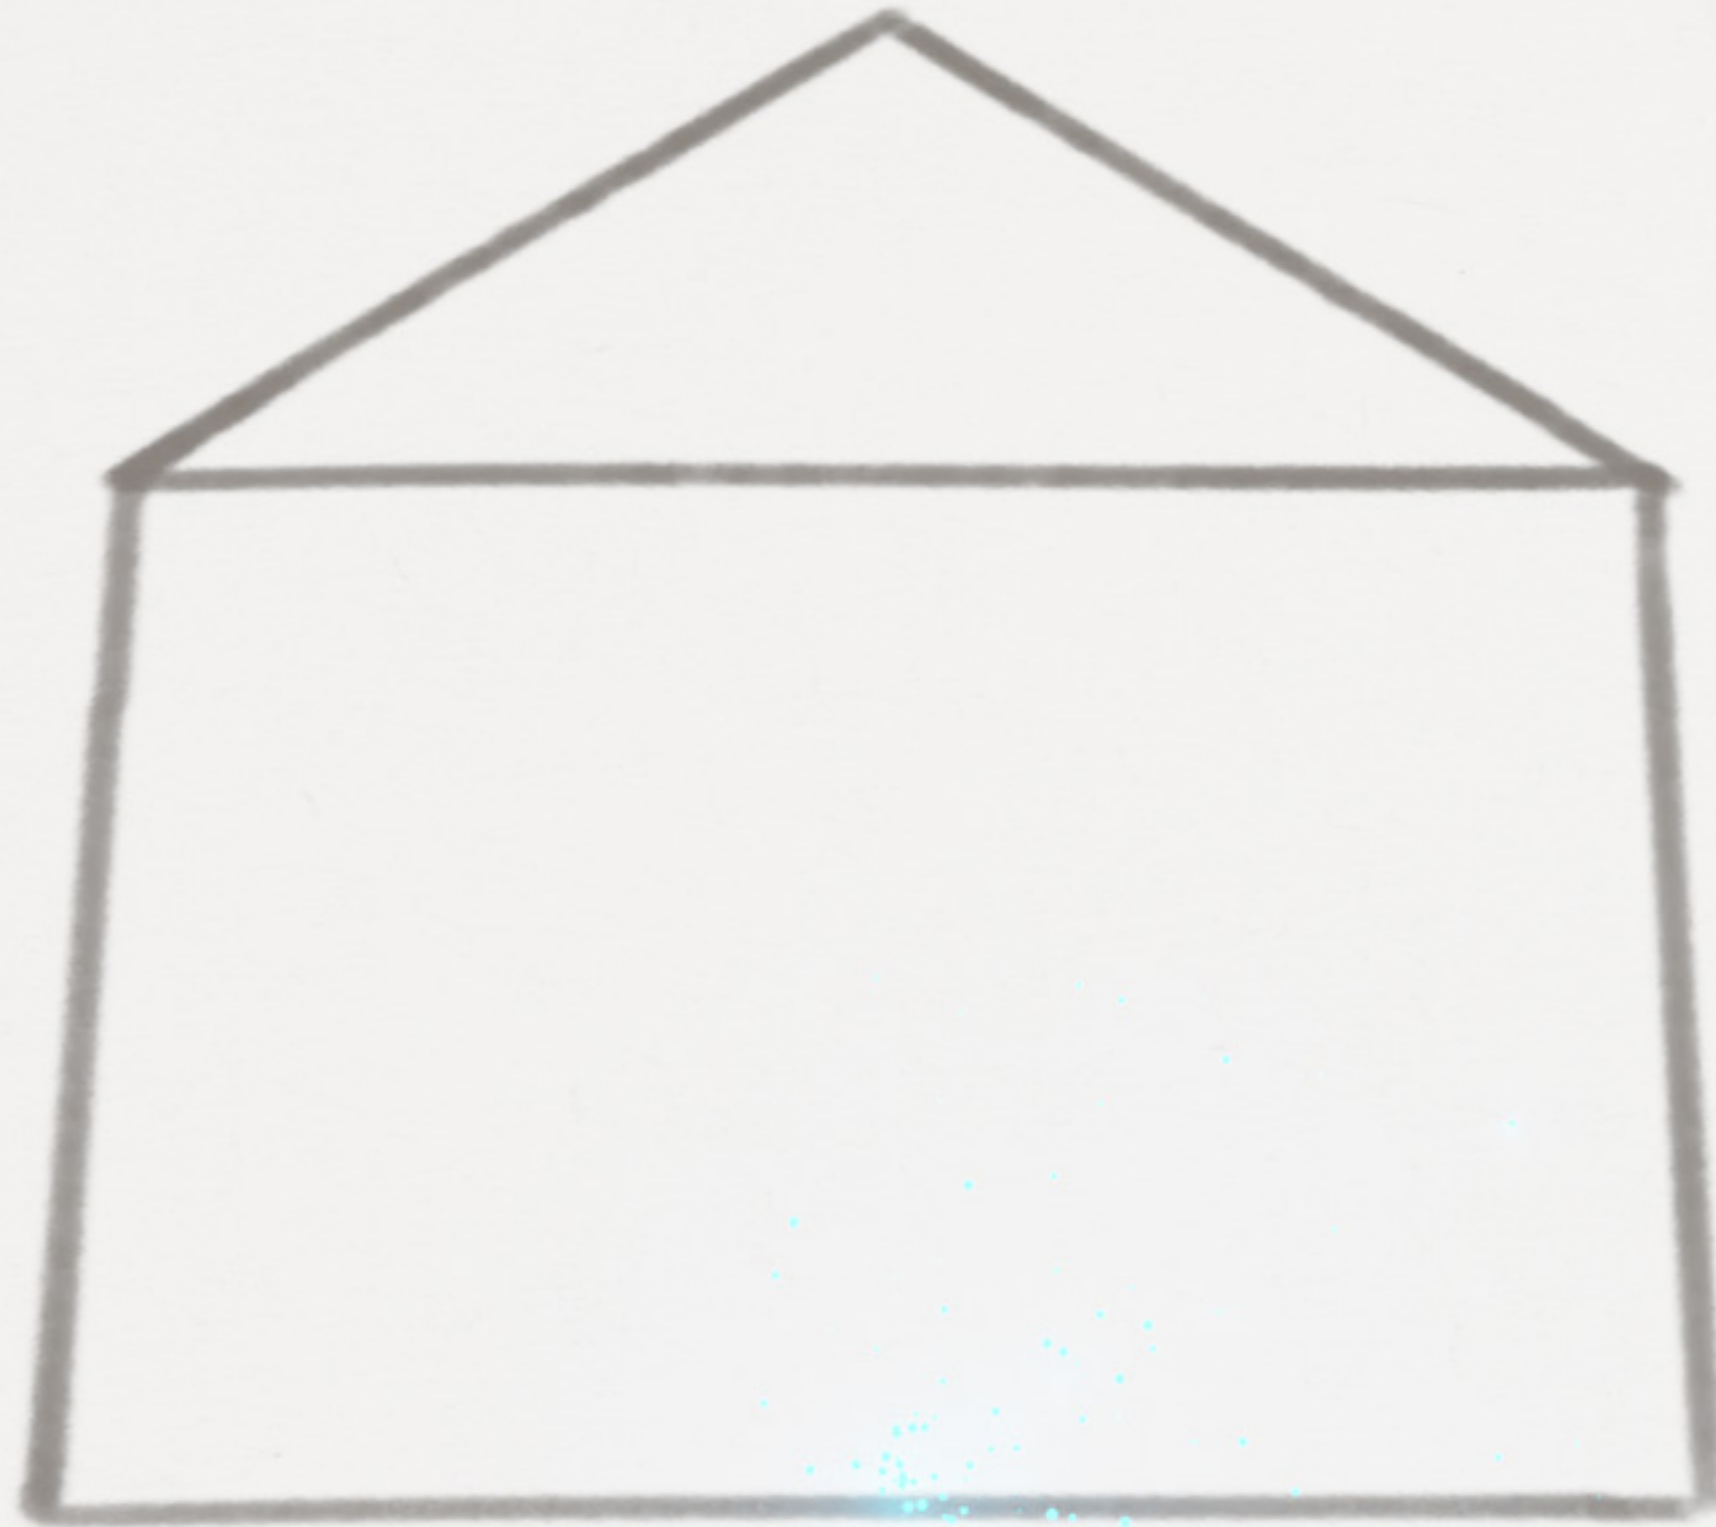

Can you figure out
what Sketch and Rulie
are making?

A little piglet called Peppa
has her own dinner

I'll give you a clue,
it has a kitchen for
baking.

It has walls, a roof
and not forgetting
a floor.....

...what's still missing though?
Ahh..... windows and a door.

Rulie enjoys making
lots of riddles and
rhymes.....

...she wrote this for you,
just in time.

The end
